How to Apply

April 2021

We are currently using the online certification platform Certemy to process applications. Please email will@mnsobberhomes.org with your full name and the name of your organization. He will then create an account for you and provide you with the information needed to sign in. We advise that you change the temporary password to something secure.

The online application process will include components such as your medication policy. We have sample policies on our website that you can adapt to your needs if necessary.

If you have any questions or concerns with the Certemy process, please reach out to either:
